# NSW Government Welcome

**The NSW Government is pleased to welcome you to the National Youth Championships 2023, proudly supported by our tourism and major events agency, Destination NSW.**

The National Youth Championships are the flagship youth player event in the Australian football calendar, with 48 teams representing nine state and territory Member Federations. This event is an important pipeline for the development of Australia's future professional and senior footballers, showcasing our football stars of tomorrow in tournament conditions.

Events like the National Youth Championships also provide a significant boost to the local visitor economy by attracting thousands of competitors, supporters and officials who stay in our hotels, eat in our restaurants and cafes and visit local attractions.

Best of luck to all teams and players.

# Football Australia CEO Welcome

Greetings to everyone gathered for the National Youth Championships 2023. On behalf of Football Australia, I extend a warm welcome to all participants, officials, and spectators.

The National Youth Championships are more than just a tournament, they are the pinnacle of youth competitions on the Australian football calendar. As we converge in one location, teams from nine State and Territory Member Federations competing for not just the prestigious national title, but also to the discerning eyes of the national team's technical staff.

Throughout history, these Championships have been integral to Football Australia's talent identification. Their significance is underlined not only by icons like Caitlin Foord from the CommBank Matildas and Jordan Bos from the Subway Socceroos who began their journeys on these pitches, but also by the commendable performances of both teams at their respective FIFA World Cups. Indeed, the NYCs are renowned as the breeding grounds where future Subway Socceroos and CommBank Matildas are forged and nurtured, showcasing the bright future of Australian football.

This year promises to be more exciting than ever. Nearly fifty teams will showcase their prowess at iconic venues: Valentine Sports Park in Western Sydney, Wollongong's WIN Stadium, and John Crehan Park.

For over a decade and a half, the scenic Coffs Harbour has been our gracious host, facilitated by Northern NSW Football and supported tirelessly by the Coffs Harbour City Council in tandem with the NSW Government, through the Office of Sport and Destination NSW. Their invaluable contribution over these years cannot be overstated. Thank you for moulding the Championship into the revered event it is today.

In line with our ethos of growth and diversification, we are excited to transition this year's hosting rights, offering another region the chance to showcase one of Football Australia's most significant youth tournaments. My heartfelt appreciation goes to the NSW Government and Destination Wollongong for championing this year's event.

I want to also give a special mention to the many volunteers for all their hard work in the lead-up to these Championships and throughout. Our sport is indebted to the dedication and passion of those who contribute so much to the sport in a voluntary capacity, and we cannot thank you enough.

To the athletes, coaches, and appointed staff – a hearty congratulations on your selection. May this platform be a repository of cherished memories, forged friendships, and unparalleled growth.

In closing, best wishes to every footballer, coach, referee, official, and the indefatigable support staff. Here's to football, camaraderie, and the beautiful game!

Thank you, and let the magic unfold!

# Wollongong City Council Lord Mayor Welcome

It's a pleasure to welcome the nation's most talented up-and-coming footballers to Wollongong for the Under 14 and Under 16 Girls National Youth Championships 2023. This is a proven pathway event for Matlidas' representatives, including the Illawarra's local superstar Caitlin Foord, that will showcase Wollongong's fields and seaside stadium. We are a proud football region and look forward to hosting an array of young athletes from diverse backgrounds.

Our region is the perfect place to immerse yourself in a healthy coastal lifestyle. Be sure to take some time out at our stunning beaches, conduct a recovery session in our picturesque ocean pools, explore beautiful bushwalks such as the Wodi Wodi Track, head to Mt Keira lookout, or stroll the iconic Blue Mile. Our vast array of dining venues await, from quirky cafes, to sumptuous seafood overlooking sparkling waters, and authentic cultural cuisine. Welcome to Wollongong.
